C A T A L O G

Quality and Tradition

Our mission at Edwards Sports Products is to provide quality sports equipment, services and accessories that combine our long-standing pedigree as an equipment manufacturer with our undertaking to meet all recognized safety standards. We strive to match our specialized knowledge of product manufacturing with our customers' needs.

Official net and post of the
International Tennis Hall of Fame
Newport, RI

Throughout their 130 year history, Edwards Sports Products have been associated w/tennis at the highest level, supplying Grand Slam tournaments around the world including Wimbledon & US Open. The famous 40LS net features double netting on the top six rows and a specially designed polyester headband which maximizes durability and minimizes distortion. The 30LS, 30LSDC and 40LS feature extra heavy duty 3.5mm braided polyethylene twine. These tennis nets have a quad stitched white top band & a plastic coated steel cable. The 30LS, 30LSDC & 40LS use only the finest quality materials.

Standard net posts are spaced 42' apart. 42' nets measure 41'6" to fit between these posts. For 40' post spacing, use the 40' net which measures 39'6".

We build our benches & bleachers to the highest standards. Listed below are some of the differences by others who may be listing their benches & bleachers as comparable to ours.

1. Frames - Ours are 100% aluminum angle. Be careful of those quoting "galvanized, steel angle iron" as equal.
2. Seat Planks - Ours are 100% anodized aluminum with a minimum wall thickness of .078 in. A thinner walled unit does not have the strength or support.
3. End Caps - Ours are constructed of fiber reinforced polypropylene. No sharp edges to snag clothing or skin.

4. Indoor Use - Our Tip N' Roll units come with rubber leg protectors so they can be used indoors or out. Be careful of those units using steel vs aluminum. In a "tip-over" fashion, steel could damage your gym floor or cause personal injuries.

Don't be fooled by a low price. Our manufacturing team has been in this business for 30 years. If you see bids or quotes that "seem too good to be true" - they are. Respectable manufacturers purchase aluminum at the same prices. Anyone offering to deliver product at 30% less is not matching specs.
